

The City of Baton Rouge, Parish of East Baton Rouge

HOUSEHOLD HAZARDOUS MATERIALS COLLECTION DAY

Saturday, November 16, 2019
9 AM - 1 PM

NEW LOCATION!

LSU TOUCHDOWN
VILLAGE LOT
4000 S. QUAD DRIVE

East Baton Rouge Parish residents can drop off their household hazardous materials for Household Hazardous Materials Collection Day

Saturday, Nov. 16 from 9 AM - 1 PM

The City-Parish will hold the semi-annual event at a new site—LSU Touchdown Village Parking Lot—near the LSU Business Education Complex, 4000 S. Quad Dr.

Residents should enter the event on S. Quad Dr. at the intersection of S. Quad Dr. and Engineering Lane. The event's new location is designed to facilitate easier and more efficient travel through the drop-off area, with police officers onsite to help direct traffic.

ACCEPTED MATERIALS

INCLUDE: fire extinguishers, fertilizers, pool chemicals, insecticides, pesticides, gasoline, cleaning products, oil paint and paint products, automobile tires, used oil, antifreeze, brake fluid, diesel, oil and fuel filters, cooking oil, fluorescent tubes, ballasts and compact fluorescent bulbs, lead acid, nickel-cadmium and alkaline batteries, stereos and televisions, ink cartridges, phones, fax machines, computer and computer components, flat screen monitors, wires and laptops.

Any liquids must be labeled and in closed containers that hold five gallons or less.

X ITEMS THAT WILL NOT BE ACCEPTED INCLUDE:

ammunition, explosives, fireworks, non-residential waste, radioactive devices such as smoke and fire detectors, large gas cylinders such as helium, acetylene or Freon, Styrofoam peanuts, school lab waste, white good appliances or furniture, copiers, construction and demolition debris, asbestos-containing building materials and biomedical hazardous material.

For more information, including a complete list of items accepted at the event, visit brla.gov/recycle or contact the City-Parish Recycling Office at (225) 389-5194.
